A guide to registering with The PSI – The Pharmacy Regulator

To register with the PSI, UK applicants must complete this document and send to registration@psi.ie: [Application Pack for applicants holding qualifications obtained in the UK](#)

Your main point of communication throughout the registration process will be via email, to registration@psi.ie.

As per the application pack, applicants must also provide copies of the following documents to registration@psi.ie:

- Degree Certificate
- Passport
- Birth Certificate
- A recent photograph, signed and dated by a registered health or legal professional
- A statement of any other education and training considered relevant to the application
- Marriage Certificate (where applicable)
- Certificate of Current Professional Status (CCPS) – this must be sent to the PSI directly from the Pharmaceutical Society of Northern Ireland (PSNI)/General Pharmaceutical Council (GPhC). It should be emailed to registration@psi.ie.
